## 3. Timing for pickup

It is ideal if we can collect during the mornings. This can be from your workplace, or from a nominated person from your home address.

## 4. Appraisal time needed

Please allow sufficient time for us to appraise your car, and let our drivers complete their inspections.

We will need to road test your car. Its perfectly fine if you want to accompany us, and we are insured under our traders policy to do so.

## 6. Service history

Have all the servicing history together. Service book plus all additional invoices.

## 7. Ownership transfer

We will change the ownership details online whilst there. If after 7pm (yes, DVLA close), we shall do it as soon as possible after 7am the following day.

## 8. Outstanding finance
